DEDICATION

To the promised land our friends have gone,

To the land of perfect rest;

Their work is done - and the setting sun,

Has sealed their lifes request.

They have left their earthly strand,

For the big house beyond the sky;

Though the past is gone, they still live on

To us all - Sweet in our Memory.

This is your "Wildcat" for 1959. Compiling it for you has given us a lot of pleasure and at times a lot of heartache. Now that the work is finished the heartache will soon be forgotten, but lingering always will be the pleasant memories---memories of those who worked to make this annual possible.

As the editor I wish to express appreciation to the annual staff for many months of diligence and labor, to Gary Kerrick, who for four years has furnished so many wonderful pictures; to our sponsor Mr. Notgrass for much needed advice and endless patience; to Mr. Murray and the faculty for willing cooperation and to the loyal advertiser's for support without which the publishing of this annual would not be possible.

May I speak for the staff in saying we hope our efforts will be rewarded by a few nostalgic smiles and pleasant recollections as you leaf through these pages in years to come.

FABENS TRUCK AND TRACTOR

Rangerettes from Kilgore College and International Harvester wheel tractors perform a precision close order drill during a spectacular introductory showing of new lines of farm and commercial tractors and equipment. The Rangerettes performed several times daily during a series of seven two-day shows held near Chicago for 3,500 Harvester dealers and sales personnel from every part of the United States, Canada, and other foreign countries. Approximately 400 International Harvester dealers do business in Texas.
